RE: DCI Internship

Dear Mr. Klabunde:

It is with great enthusiasm and sincerity that I tender my application for consideration as an Intern within the Division of Criminal Investigation.

I am currently enrolled as a Junior at Concordia University, St. Paul in Minnesota. My passions have led me to pursue an educational foundation in Criminal Justice so that I may utilize my skills and knowledge in the service of my community upon graduation. To further this endeavor, I'm very interested in the Internship opportunities with DCI. I believe the insight I derive will further enhance and solidify my desire to pursue a career in criminal justice.

The requirements and characteristics of the Internships are clear. In kind, I wish to be clear in my confidence that I am possessed of the necessary characteristics and positioned to exceed the requirements.

As a scholarship student-athlete, three year starter in the football program, and upcoming team captain, I have learned a great deal about confidence, teamwork, and leadership. I have also learned discipline and how to take feedback constructively – whether delivered as such or not. Also, as the President of our campus' Criminal Justice Club, I have learned a lot about the real-world applications of a Criminal Justice education.

I also pride myself on my integrity, loyalty, drive, and commitment. While managing the rigorous demands of football, I've also succeeded in maintaining a 3.94 GPA and received 2014 Capital One Bowl 1st Team All-Academic American honors for academic and athletic excellence. I believe the tenacity and dedication I've demonstrated in succeeding both on and off the field would serve me well in the DCI Internship programs.

My resume is attached, which further outlines my credentials. I am confident that, if given a chance, I will be able to quickly demonstrate the value I can bring to the DCI Internship Program. I would greatly enjoy an opportunity to discuss it with you in greater detail as your schedule permits.

Please feel free to contact me by phone or e-mail to arrange a mutually agreeable time. I look forward to speaking with you.

Sincerely,

Charlie Parker
